NETWORK

LIMIT SINGLE USE PLASTICS!

Leave single use water bottles at home! Cuttyhunk has fabulous water quality, bring a reusable bottle or buy one of ours for \$5

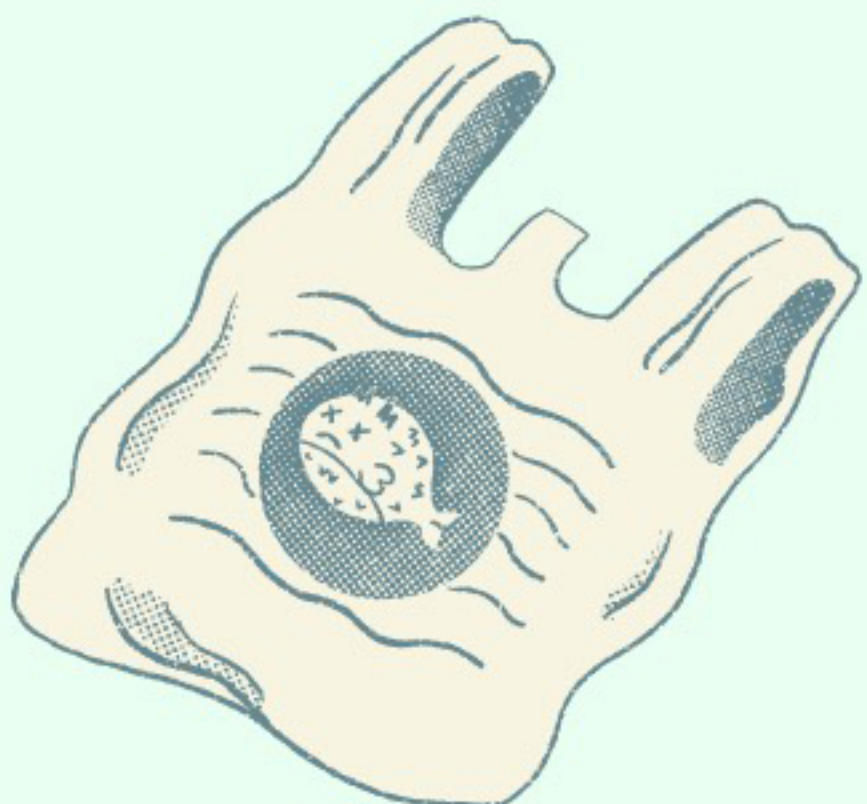

SAVE WATER!

Cuttyhunk gets water from an aquifer but it's not unlimited. Do your part to save water!

SOLID WASTE DISPOSAL

Please follow the rules of disposing solid waste. Separate your recyclables!

USE LESS ELECTRICITY

Cuttyhunk has a solar farm but still needs to supplement with diesel generators when in high demand. Turn off fans and other appliances when not in use
